

Calgary's Leading Before and After School Care Program
Ages 5 - 12

Monthly Update

A big Congratulations goes out to St. Alphonsus, Eugene Coste, Riverbend, Sir James Lougheed and Ralph McCall School for passing Accreditation. All of these sites are now Accredited.

March has been a busy month at CCP. Many sites have been very busy learning about the different cultures around the world. Children have been very excited to share their cultural background with their peers and CCP staff.

Thank you to everyone who has helped us incorporate the Ipad system at our sites. Parents and Guardians please remember that when you are dropping off you need to come into the school or community hall with the children. We appreciate your support during this transition period.

This week CCP at St. Luke presented a cheque to the Alberta Children's Hospital Foundation for \$420.16. CCP St. Luke and CCP St. Pius X raised this money during the month of February and March. Way to go teams!
